

# BMRG Climate Summit

## the Science & Economics of Change

Climate Variability  
It's Everyone's  
Business

**Prof David Karoly**

University of  
Melbourne

**Graeme Anderson**

Dept of Environment  
& Primary Industries

**Dr Kathleen McInnes**

CSIRO Marine  
& Atmospheric  
Research

**Ben Keogh**

Australian Carbon  
Traders

Join us for a landmark event to explore the topics of climate, climate change and climatic variability. This one day summit will drill down into the challenges facing our community, our economy and what adaptation and mitigation strategies are available.

We are proud to present keynote speaker *Prof David Karoly* from the University of Melbourne, and a host of seasoned science communicators and researchers.

Register today for this thought provoking and challenging event <http://bmrghclimatesummit.bpt.me/>
